

Correction

Honda H, Igaki M, Hatanaka Y, *et al.* Stair climbing/descending exercise for a short time decreases blood glucose levels after a meal in participants with type 2 diabetes. *BMJ Open Diabetes Research and Care* 2016;4:e000232. doi:10.1136/bmjdr-2016-000232.

Some instances of 'Participants' has been changed to 'people' throughout, including the title. The correct title is now 'Stair climbing/descending exercise for a short time decreases blood glucose levels after a meal in people with type 2 diabetes'.
