

Supplementary Table 1 Overall characteristics of the Andalusian population according to gender (N=216)*.

Characteristics	Men	Women
	<i>Mean±SD</i>	<i>Mean±SD</i>
Individuals per 100,000 inhabitants	50,450.4±1,096.8	49,541.1±1,104.4
Overall age (years)	19.8±1.0	20.0±0.9
Individuals within each age group		
Individuals aged <16 years per 100,000 inhabitants	8,789.5±1,311.2	8,242.3±1,207.8
Individuals aged 16-64 years per 100,000 inhabitants	34,258.5±1,439.8	32,061.4±1,844.3
Individuals aged >64 years per 100,000 inhabitants	7,374.1±2,113.2	9,206.9±2,536.6
Literacy/education level		
Illiterates per 100,000 inhabitants	2,163.7±1,208.6	4,678.5±2,227.0
Individuals without studies per 100,000 inhabitants	11,536.8±4,676.7	13,262.6±4,546.1
Individuals with primary studies per 100,000 inhabitants	15,601.9±3,774.9	13,312.7±2,732.8
Individuals with secondary studies per 100,000 inhabitants	43,605.5±4,320.7	40,348.9±4,021.7
Individuals with tertiary studies per 100,000 inhabitants	8,548.5±4,271.9	10,511.0±4,100.4
Housing		
Single-person homes per 100,000 homes		20,065.7±4,809.5 [†]
Homes with pending payments per 100,000 inhabitants		24,568.7±10,383.0 [†]
Dependence index		51.0±6.0 [†]
Net income per inhabitant (euros)		15,899.3±11,418.9 [†]
Married individuals per 100,000 inhabitants		47,742.7±2,726.4 [†]
Unemployed individuals per 100,000 inhabitants	10,336.0±2,875.8	9,621.2±3,665.8
Foreign individuals per 100,000 inhabitants	7,593.2±8,147.6	6,814.6±7,437.5
Deceases from endocrine disease per 100,000 inhabitants		27.4±18.4 [†]
Pharmacies per 100,000 inhabitants		45.7±23.7 [†]
Sports facilities per 100,000 inhabitants		151.3±130.3 [†]
Inhabitants per hectare		3.2±8.9 [†]
Hypoglycaemic events per 100,000 inhabitants		
Overall	84.8±66.3	104.4±81.5
Individuals aged <16 years	9.4±28.9	13.4±126.2

Characteristics	Men	Women
	<i>Mean±SD</i>	<i>Mean±SD</i>
Individuals aged 16-64 years	53.1±58.1	36.2±33.9
Individuals aged >64 years	336.5±262.0	440.5±289.5

*Characteristics of the population from the 216 healthcare basic zones of Andalusia are presented.

†We had disaggregated data on these variables.

SD, standard deviation.
